

# WELCOME

## TEAM LEAFFILTER & GUESTS,

Welcome to the 2019 LeafFilter Summit Awards! I am so glad you are able to join us in beautiful Miami, FL. This weekend, you're encouraged to find time to relax, rejuvenate, and catch up with other team members from across the country, while we reflect on this year's unbelievable achievements.

Our 15th year in business has been quite exciting, as we've smashed lofty records, opened new offices, and received numerous awards and recognition for being at the top of our industry. Thanks to every one of you, we've experienced our biggest year yet:

- We've opened a total of eleven new offices across the country: Anaheim, Fort Lauderdale, North LA, Mobile, Vancouver, Augusta, Fresno, San Diego, Boise, Indianapolis, and North Virginia.
- We were named the 3rd largest remodeler in the nation by Remodeling Magazine
- We were recognized as the 4th largest remodeler by Qualified Remodeler Magazine.
- And, we were named to the Inc. 5000 list for the eighth year in a row and jumped over 1,000 spots to No. 1,437.

Through hard work and dedication, we've dominated the home improvement industry, while focusing on only one product and one service. This is truly an impressive accomplishment that only very few, elite teams can claim.

I hope you enjoy your stay at the InterContinental this weekend. Let's take this time to celebrate our accomplishments as we look forward to having a huge 2020!
